Important information

Your insurance must be in effect on the date of the insured event in order to qualify for benefits.

Any concealment, misrepresentation or making a false declaration could void the insurance.

How your premium is calculated

Your premium is based on the amount you owe on your credit card as of the statement date divided by 100, and multiplied by the premium rate.

Sample premium calculation for a cardholder enrolled in Plan A:

Statement Period: January 16 to February 15

Statement Date: February 15

The amount you owe CIBC on the statement date (i.e., February 15) before calculating the insurance premium: \$2,000

Premium you pay: \$2,000 divided by 100 = \$20 x \$0.99 = \$19.80 (plus applicable taxes).

The monthly premium will vary depending on the amount that you owe each month. It will be charged to your credit card.

Your premiums are capped

If the amount you owe CIBC on your credit card statement date is greater than \$25,000, the premium will be calculated on a maximum amount of \$25,000.

How to apply

You can apply by visiting your nearest CIBC Banking Centre or by contacting Canadian Premier at 1-800-893-2862 (English) or 1-800-939-0169 (French).

Review period and how to cancel

You have 30 days from the receipt of your certificate of insurance to review the coverage and decide if it meets your needs. If you cancel within this 30-day period, you will receive a full refund of any premiums you paid and your insurance will never have been in effect.

You can cancel this insurance at any time by contacting Canadian Premier at the number or address listed above.

How do I make a claim?

Contact Canadian Premier at 1-800-893-2862 (English) or 1-800-939-0169 (French) as soon as possible after the date of the insured event.

Notice and proof of a claim must be provided to Canadian Premier within the later of 60 days:

- after the date of death (for a life and accidental death claim);
- after the date of diagnosis (for a critical illness claim); or
- after the applicable waiting period (for a disability or involuntary unemployment claim, the waiting period is 30 days; for an involuntary loss of self-employment claim, the waiting period is 90 days).

Once Canadian Premier has been notified of the claim, within 15 days you will be sent a claim form to complete.

Once all of the documents have been received to process your claim, within 30 days, Canadian Premier will pay your claim or provide reasons for any denial. If your claim is approved, Canadian Premier will pay the benefit to CIBC and CIBC will apply the benefits to your credit card account.

If your claim is denied and you wish to dispute this, you can provide Canadian Premier with additional information that is relevant to your claim. If your claim is still denied, you may contact the Autorité des Marchés Financiers at:

Elsewhere in Québec: 1-877-525-0337
Fax: 418-525-9512

You or your estate are responsible for continuing to make payments on your credit card account until the benefit is paid by Canadian Premier.
